

JOY ANN LAJERET

COUNTRY HOT MUSIC

I have been working with my own bands since 2000. My first band was Gold Rush Fever. We played all types of venues west of the mountains.

I joined the Northshore Bothell Band in 2019, and every Tuesday we played in various senior residences, until Covid 19's lockdown occurred.

My first venue since 2022 was at the LaConner 10th Anniversary of the Artists Co-op and a singer-songwriter showcase at Vessels Taphouse.

I have since participated in several area gigs, including the Evergreen State Fair, hosted open mics, and performed at charitable concerts with players including Doug McGrew, Lynn Sorensen, Jamie Vandall, Drew Schneider, and Randy Ranstrom.
